## *Violin Show*

---

Your event needs something unique and fresh with just the right mix of style and energy. Something that will grab your guests' attention and make the evening a memorable one. Maybe your event is not a dance party, but you want the music to bring the same energy. Mystique presents, Chicago's newest act...

### **...The CoverGirls Violin Show...**

---

Featuring 3 to 6 violins playing a showcase performance anywhere from 15 to 45 minutes in length, The CoverGirls employ the latest in music technology to create a high-energy musical revue of classic and contemporary songs ranging from the Beatles to Beyonce. Fresh, flirty and fun, these shows feature bold and appealing costumes, and are performed on the CoverGirls' signature purple electric violins.

CoverGirls Violin Shows are completely customizable both in length and musical content. All shows are performed live to concert-quality pre-recorded tracks, arranged and produced exclusively for the CoverGirls. Shows can be single songs interspersed throughout a program, or grouped into 10, 20, 30 or 45-minute sets during or after a dinner or presentation. Wardrobe changes are an additional option that can further enhance your show.

Collectively, the women of the CoverGirls Violin Show have toured and performed on stages across the US along side musical legends like Kenny Rogers, Barry Manilow, Aretha Franklin, The Moody Blues, The Trans-Siberian Orchestra, and have entertained three of our US Presidents. In addition to being classically trained, many of the CoverGirls are gifted vocalists and improvisers in the jazz, rock and latin idioms, bringing an exciting extra element of musicianship to each and every show.
